## ART AND DESIGN WITH IDEALS AND IDEAL ART AND DESIGN ARTE Y DISEÑO CON IDEALES Y ARTE Y DISEÑO IDEAL

While we were impressed by the noticeably upgraded fair experience at Art Basel Miami Beach 2017, it was the jaw-dropping and wondrous creations at Design Miami that tantalized and inspired us.

This issue (regardless of gender, but not quite so flexible on budget), we have curated our favorite finds that we bumped into at this glorious design, décor and objets salon. Salivate over Magen H Gallery's pieces and be tempted to splurge on everything at Todd Merrill Studio. It's just as rewarding to keep things practical and tasteful with a lighting solution by Artek. Naturally, we've peppered these pages with a few other stylist buys and our favorite art moments from Art Basel... Either way, it's a feast for your eyes, a pang in your heart, and certainly a dream for your yacht, club or home.

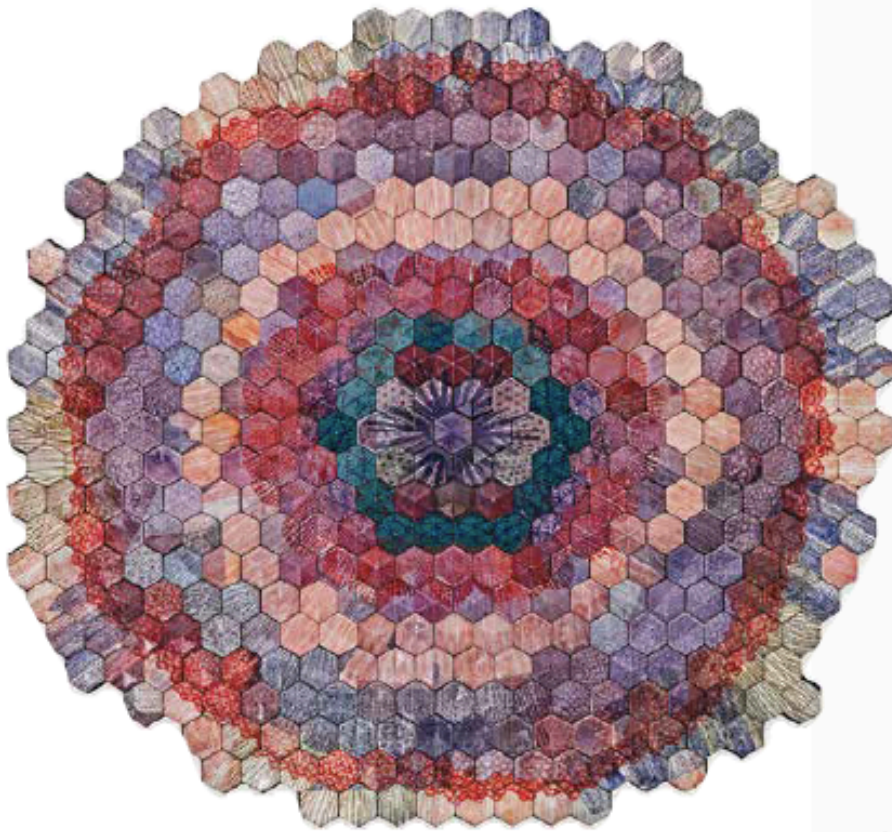

# HOSTLER BURROWS

Sin duda la visita a Art Basel Miami Beach 2017 ha sido una experiencia extraordinaria pero las magnificas creaciones de Design Miami nos dejaron fascinados y por eso hemos creado una lista de "tesoros" que encontramos en este fabuloso salón de diseño y decoración.

Déjese tentar con las piezas de Magen H Gallery y permitase despilfarrar en el studio de Todd Merrill. A su vez es gratificante dejarse llevar por lo práctico y el buen gusto con la iluminación de Artek y, por supuesto, destacamos en este artículo a otros diseñadores y a nuestros momentos favoritos de Art Basel. Sea lo que sea, toda esta experiencia es un verdadero espectáculo que puede llegar a formar parte de su yate, club o casa.
