Hostler Burrows is pleased to announce the re-launch of their original location at 51 E 10th St. Solely dedicated to curated exhibitions, the space will serve as an intimate environment in which to bring greater focus to both historical and contemporary artists.

For its inaugural exhibition, Hostler Burrows presents the work of six ceramic artists new to the gallery's roster - New York based Kathy Erteman, Israeli born Michal Fargo, Milan based Marta Palmieri, and Jasmin Anoschkin, Pekka Paikkari, and Heini Riitahuhta, all three resident artists at Finland's Arabia Studio.
